SOUTH POINT HIGH SCHOOL
An ISO 45001:2018 Institution

Creative, Committed and Conscientious

South Point's pursuit of academic excellence is a fact beyond dispute. However, the institution has steadfastly attempted to ensure holistic growth of its pupils so that they are equipped to face life's indeterminate challenges and societal requirements with commitment, conscientiousness and inventiveness. Unveiling latent talent, instilling compassion and imparting values are the key principles that the school has used to facilitate growth and sustain its position at the crest of the academic arena.

May our creative, committed and conscientious Pointers shine on.....

2024-25

Creative

Creativity liberates the human spirit

The creative spirit often lies hidden deep within the young hearts. A spark brings it to life.

Committed

We have promises to keep...

From life we receive aplenty. It is our collective responsibility to payback through selfless service to the community and our environment.

Conscientious

Honest hard work pays

No destination is unreachable if one is willing to work with honesty and sincerity. The pot of gold, at the end of the rainbow; awaits the diligent worker.

Conscientious

To attempt with honesty, to persevere to achieve

The terrain one has to cross may be uneven, but a determined effort will ensure that one reaches one's goal.
There is no substitute for honest effort.
